TOURNAMENT RULES
for Self Defence, Patterns and Sparring Competition

JOHN LEMIEUX MEMORIAL TOURNAMENT

SELF DEFENCE COMPETITION

PROCEDURE:

- There will be 5 judges if possible, and must be at least 3.
- Competitors perform one at a time, on mats provided.
- Each competitor approaches the judges with their attacker and states their name to make sure the timekeeper has the right entry slip.
- Competitors perform a maximum of any five techniques.
- After bow at end, competitor and attacker turn around for the judges' scores.

SCORING:

Judges will grade performance on the following:

- Proper attitude, including neatness, answer, bow, and presentation.
- Timing of movements.
- Smoothness, grace and harmony of movements.
- Maintaining control, posture, and balance.
- Follow through of pin or control of attacker at end of each technique.
- Realism of performance.
- Effectiveness of techniques.
- Degree of difficulty, including accounting for type of weapon(s) employed.
- Age and belt level.
- One point deduction if competitor falters noticeably, drops a weapon, or fails to control the technique.
- How well they have learned what their instructor taught them, not just what is considered correct techniques by the judge.

Note: Competitors should be scored relative to the first competitor, and judges are not to be influenced by what other judges score.

- Scores are number of fingers shown, with wrists crossed for half a point.

CENTRE JUDGES RESPONSIBILITIES:

- All competitors line up to bow to the judges at the beginning.
- At end of each performance competitor and attacker(s) turn around, at which time all judges cross forearms and all judges raise hands for scores at the same time upon centre judge's call of "score".
- The timekeeper shall call out the correct scores.
- A judge should bow out when their own student is up.
- After all competitors have performed; the totals should be verified on the timekeeper's sheet.
- In the event of a tie, competitors will do their routine again individually. If still tied, the judges will indicate left or right call to decide a winner.
- At end all competitors line up and the four winners are presented trophies.
- The timekeeper can be assigned to bring the score sheet to the head table for announcement of winners.
- In the event of a dispute the Tournament Director will have the final decision.

JOHN LEMIEUX MEMORIAL TOURNAMENT

PATTERN & WEAPON (FORMS) COMPETITION

PROCEDURE:

- There will be 5 judges if possible, and must be at least 3.
- Competitors perform one at a time.
- Each competitor approaches the judges and states their name and pattern to make sure the timekeeper has the right entry slip.
- Unless the pattern requires a different starting position, competitors should begin at the rear mark on the floor. (Note some patterns do not end at starting point).
- After bow at end, competitor turns around for the judges' scores.

SCORING:

Performance is graded on the following:

- Proper attitude, including neatness, answer, bow, and presentation.
- Correct movements in sequence and directions.
- Proper stances at end of every movement.
- Timing and concentration of strikes at correct target directions.
- Focus, speed, and snap of punches, strikes, blocks, and kicks.
- Proper breathing with movements.
- Maintaining posture and balance.
- Rhythm, cadence and smoothness, harmony of movements.
- Degree of difficulty.
- One point deduction if competitor falters noticeably or repeats pattern. - Can try again only once, after second failed attempt no score is given. Note: all competitors should be scored relative to the first competitor, and a judge should not be influenced by what other judges score.
- Scores are number of fingers shown, with wrists crossed for half a point.

CENTRE JUDGES RESPONSIBILITIES:

- Competitors all line up to bow to the judges at the beginning.
 - At end of each pattern call to return to ready stance Parole, turn around, then all judges raise hands at the same time upon centre judge's call of "score". - The timekeeper shall call out the correct scores.
 - A judge should bow out when their own student is up.
 - After all competitors have performed; the totals should be verified on the timekeeper's sheet.
 - In the event of a two way tie, both competitors do their pattern together and judges indicate left or right call to decide winner. For three way ties, they do their patterns again individually. For higher belts, the centre judge can request they do a different lower pattern to facilitate judging differences.
 - At end all competitors line up and the four winners are presented their trophies.
 - The timekeeper can be assigned to bring the score sheets to the head table for announcement of winners.
 - In the event of a dispute the Tournament Director will have the final decision.
- (Note: **Weapons Forms** can be substituted for Pattern).

DISQUALIFICATION

A competitor can be disqualified by the referee for the following:

- Two minus points (four warnings) during the match.
- Showing disrespect to a judge or referee.
- Failure to comply with instructions.
- Blood appears after excessive and deliberate contact to face.
- Excessive contact where the opponent is injured and cannot continue in the competition because of a deliberate attack. This requires that both competitors will be out and cannot proceed to the next round.
- In the event of a possible disqualification, the referee may decide after consultation with the corner judges.
- A competitor cannot be disqualified after the match is over.

SPARRING EQUIPMENT

- Head protectors, full hand covering (no MMA style gloves) and foot guards are mandatory in all Colour Belt, Children, and Seniors sparring divisions.
- Chest protectors, groin guards, forearm, shin guards and mouth guards are optional and highly recommended in all Colour Belt, Children, and Seniors sparring divisions.
- Chest protectors are mandatory for both competitors if one competitor insists. (These can be supplied by fellow competitors or host club at ring).

REFEREE/CORNER JUDGES RESPONSIBILITIES

There will be 1 referee and 2, 3, or 4 corner judges.

- The Referee must ensure both competitors are wearing appropriate safety equipment, (and chest protectors if one competitor insists).
- The referee should relinquish the referee position to a qualified corner judge for any match in which one of the referee's own students is competing.
- Each corner judge calls "point!" when seen. The referee will halt the match, all judges will raise arm outward, the referee crosses arms and says "Judges call!" and all raise the scorers colour flag at the same time, the referee pointing one finger for one point or two fingers for two points at the competitor who scored.
- The referee will then announce the point(s) scored, and make sure it is recorded by the timekeeper.
- **Any two or more of the same colour flag raised must be awarded a point (or two points by high section kick), even if no point is seen by the referee.**
- In the event of one each or two each of different colour flags raised, the referee can decide the point or declare no point.
- The referee cannot award a point without a flag confirmation from at least one corner judge, but can award the point if only one flag is raised if he indicates the point when he clearly saw a legal technique score.
- In the event of a tie at the end of the sudden death overtime, the judges and referee will declare a winner by majority based upon best techniques, by turning back and all raising the winner's colour flag at the same time.
- In the event of a dispute the Tournament Director will have the final decision.

SPARRING EQUIPMENT

- *****Chest protectors*****, Head protectors, full hand covering (**no MMA style gloves**) and foot guards are mandatory.
- Groin guards, forearm, shin guards and mouth guards are optional and highly recommended.
****Note: Should both Black Belts not wish to wear chest protectors, can be permitted to spar as long as complete control is exercised. If one wants both wear. ****

REFEREE/CORNER JUDGES RESPONSIBILITIES (Black Belt Competition only)

There will be 1 referee and 4 corner judges.

- **The referee will check that competitors are wearing the mandatory equipment as listed above.**
- The referee will place the appropriate red and blue ribbons on the competitors.
- The referee should bow out of a match if one of their own students is competing.
- Judges will record points they clearly see scored on their score papers.
- When the centre referee sees an infraction on the part of either competitor, he will stop the match temporarily and issue a warning or minus point, which must be recorded by the corner judges on their score papers.
- At the end of the match the referee will collect the judges score papers and tally the points and warnings with the timekeeper. To be counted, a point must be verified by appearing on at least two judges score papers.
- In the event of a tie the referee will decide the winner.
- In the event of a dispute, the Tournament Director has the final decision.

COACHES RESPONSIBILITIES

- Coaches must ensure that their competitor is ready and wearing the proper protective equipment on time for the match.
- Coaches may not interfere with the matches, and must remain in their seats at the side of the ring and remain quiet during the actual rounds. Instructions can be given to their competitors only during the break between rounds.
- The referee can issue a warning to the coach's competitor for an infraction by the coach, including shouting instructions during the round, using bad language, stepping into the ring, arguing with an official, or showing poor sportsmanship.
